Leadership

- process of social influence in which one person can enlist the aid and support of others in the accomplishment of a common task.
- Leadership is ultimately about creating a way for people to contribute to making something extraordinary happen.

I Timothy 4:12

- Don't let anyone look down on you because you are young, but set an example for the believers in speech, in life, in love, in faith and in purity. {NIV}
- Do not let anyone treat you as if you are unimportant because you are young... be an example... with your words, your actions, your love, your faith, and your pure life. {expanded Bible}
